

Morocco (one of the dark places in the world to-day) is typical of the *degradation* of Islam ; Persia of its *disintegration* ; Arabia of its *stagnation* ; Egypt of its attempted *reformation* ; China shows the *neglect* of Islam ; Java, the *conversion* of Islam ; India, the *opportunity* to reach Islam ; Equatorial Africa, its *peril*. Each of these typical conditions is in itself an appeal. The supreme need of the Moslem world is Jesus Christ. He alone can give light to Morocco, unity to Persia, life to Arabia, rebirth to Egypt, reach the neglected in China, win Malaysia, meet the opportunity in India, and stop the aggressive peril in Africa.

With all there is of encouragement to our faith, the problem remains big and baffling. We can do nothing of ourselves : our sufficiency is only of God. " Oh, our God, wilt Thou not judge them, for we have no might against this great company that cometh against us, neither know we what to do, but our eyes are upon Thee." **Amen.**
