

1.  hatred, hostile feelings
2.  discord, wrangling, strife, contention
3.  jealousy
4.  fits of rage-temper tantrums
5.  selfish ambition-jockeying for position 
6.  dissensions factions 
7.  envy 

Since this list is so important to this discussion, it would be well to take each term and see its relation to the problem of conflict within ministerial teams.

The list begins with *ἔχθρα*, which is usually translated "hatred." The form is plural and could be translated "hostilities"
